

Dear <Manager/Supervisor>

I would like to attend the National Student Employment Association, 2019 Annual Conference held on October 16-17, 2019 at Coeur D'Alene, Idaho.

The conference theme is "Student Employment in Action" and it is the premier event for student employment professionals. Each year's agenda focuses on topics that are relevant and trending with college employment issues. These are very relevant to my job challenges right now and may provide us great insight into how other institutions are working on similar issues.

The conference features a keynote speaker, a federal update, workshops and panel discussions. Networking with colleagues to share similar experiences and ideas will prove to be invaluable for me.

Please check out the conference website at www.nsea.info. I have been following the conference twitter stream (@NSEA_Info), and there is a lot of buzz about this event!

The cost to attend the conference will be the registration fee, travel expenses, hotel, a meal per diem and parking. I also wish to participate in the post conference training being offered on Friday, October 18th for only \$59/69 (member/non-member rates) more.

The total anticipated cost for the conference is <fill in the blank>. The detailed cost breakdown is listed in the paragraph below.

Here is my estimated breakdown of conference costs:

I am confident you will see this as a worthwhile investment. My attendance at this conference is a wise investment and will benefit our organization and promote growth and new ideas.

Sincerely,
